

# ASIAN GLOBAL SOURCING

**AGS**  
L i m i t e d

## About Us

**AGS Group** is one of the **pioneering forces** that identified the vast **economic potential** of Bangladesh's **Ready-Made Garments (RMG) industry**. With more than **15 years of proven expertise**, AGS has been **instrumental** in shaping the sector by **sourcing, developing, and producing apparel** for **globally renowned brands** such as **C&A, Big Star, Dri-Duck, Top Secret**, and many others. Our consistent **excellence in quality, reliability, and innovation** has earned the **trust of international buyers** and strengthened Bangladesh's position as a **leading apparel hub**.

**Established in 2009, Asian Global Sourcing Ltd.** has grown into a **premier garment manufacturer and global sourcing partner**, operating as a **dynamic buying house**. We specialize in delivering **end-to-end apparel solutions** for **leading retailers, importers, and fashion chains** across **Europe, the USA, and Canada**. With our **deep market knowledge, state-of-the-art production network, and commitment to ethical practices**, we empower our clients to **stay competitive** in today's **fast-paced global fashion market**.

## WE GUARANTEE BEST QUALITY

- ✓ a personalized system of quality control derived from best in class procedures of the top brands.
- ✓ dedicated QA teams for each supplier to ensure the required standard of product and timely delivery.
- ✓ an independent final audit team.
- ✓ 10 quality assessment personnel stationed at various strategic points – from inline to final garment form

## Our Competitive Strengths

At **AGS**, we don't just manufacture garments -we deliver **value-driven partnerships** that enable our clients to thrive in a fast-changing industry.

-  **Global Reach, Local Expertise** – Deep understanding of Bangladesh's RMG ecosystem with global compliance and service standards.
-  **Design & Development Excellence** – Creative, trend-conscious product development tailored to each market segment.
-  **Operational Agility** – Scalable production capabilities with competitive lead times.
-  **Uncompromising Quality Control** – Multi-tiered QA system ensuring consistency and reliability.
-  **Sustainable & Ethical Practices** – Strong commitment to CSR, eco-friendly processes, and ethical sourcing.

## Our Values & Responsibilities

Quality at **AGS** is not an act — it's a culture. Every garment we deliver goes through a **rigorous, multi-stage process** designed to meet international benchmarks.

- **Dedicated QA Teams** monitoring each supplier and production stage.

- **10+ skilled inspectors** stationed at critical checkpoints — from fabric selection to final packaging.

- **Independent Final Audit Team** for unbiased quality validation.

- **Best-in-Class Protocols** inspired by the world's top brands.

☞ With **AGS**, buyers are assured of **premium quality, competitive pricing, and on-time delivery — always.**

# OUR VISION

## **Responsibility to Our Customers**

The core reason we exist is to serve our customers. We do this by ensuring the consistent delivery of the best value through superior quality, reliability, and service at every step.

## **Responsibility to Our Associates**

A company is only as strong as its people. We recognize that our ability to deliver the highest standards comes from continuous investment in our employees and associates, who are the true drivers of our success.

## **Responsibility to Our Community & Environment**

We are dedicated to CSR initiatives that uplift the lives and well-being of our people while contributing positively to the community and environment, ensuring sustainable growth for the future.
