

ASIAN
GLOBAL
SOURCING

Asian Global Sourcing Ltd is a leading garments manufacturer, exporter based on buying house. We develop and manufacture products for internationally reputable buyers/importers and departmental chain stores within the European, US & Canadian markets.

AGS Group is one of those early players who saw the economic potential for RMG goods in developing in Bangladesh. Operating for over 15 years, AGS Group is a legend in developing the RMG sector with experience sourcing & producing for brands such as C&A, Big Star, Dri-Duck, Top Secret and others. This generated and multiplied the confidence of other brands to invest in Bangladesh.

WE GUARANTEE BEST QUALITY

- ✓ a personalized system of quality control derived from best in class procedures of the top brands
- ✓ dedicated QA teams for each supplier to ensure the required standard of product and timely delivery
- ✓ an independent final audit team
- ✓ 10 quality assessment personnel stationed at various strategic points – from inline to final garment form

OUR VISION

Responsibility to the customers

The primary reason for us to exist is to serve our customers. We do it by ensuring the delivery of the very best value to our customers, both external and internal

Responsibility towards Fellow Associates

A company is only as good as its employees. We know that we are capable of delivering the best value because of our investment in the best employees and associates

Responsibility towards our community and environment

We invest in CSR activities that will improve the lifestyle and conditions of our own people and those of our external community.
